# About Us

## Our History

Famous Foam and Mattresses Pvt Ltd was established in 2014 and since then we have rapidly grown to become one of the leading manufacturers of PU Foam in India. We are part of the MH Group, founded in 1988, which is one of the largest manufacturers of PU Foam, EPE Foam and Mattresses in India. Experience of over 30 years in running a PU Foam manufacturing company gives us a big advantage of having leadership in quality and systems needed to provide excellent quality of foam consistently.

## Our Vision

To become a leader of comfort products and home decor in India.

## Our Mission

We strive to maintain 100% customer satisfaction rate by manufacturing best quality products and delivering 100% of the products with a dispatch time of less than 24 hours from the time of order confirmation.

## Our Values

Famous Foam & Mattresses has always been a value-driven organization. These values continue to direct the growth and business of the company.

The five core values that we uphold in the we-do-business are:

- Integrity - We are always fair, honest and transparent in every aspect of business and socially related to the group.
- Responsibility - We truly believe in giving back to society and will continue to do so by integrating environmental and social principles in our businesses.
- Excellence - We believe that excellence is a virtue of continuous hard work and we will continue to do so with a passion for achieving the highest standards of quality.
- Pioneering - We believe in being bold and agile, courageously taking on challenges to excel in all the aspects of our business.
- Commitment - We are and will always be true to satisfy our policy of 100% customer satisfaction and being the leader in the industry using our customer insight.

## Our Infrastructure

Famous Foam has been equipped with the state-of-the-art German technology. Our production is carried out by the worlds most advanced technology available 'Hennecke Foaming machine' from Germany. We also have world class processing machines to give us the best quality products consistently. In order to provide regular and unmatched service we have in house fleet of trucks along with a vast network of logistics providers.

## Our Network

Famous Foam has significantly expanded its presence across India. Due to our excellent quality, competitive prices, exceptional service and long-lasting customers' relations, we have a wide network of distributors. Also, our group has pan India presence with distribution network in more than 20 states.

## Our Innovative Approach

We thrive on developing leading-edge solutions in technology, processes and products. We constantly produce new customized foam qualities for specific use cases in variety of industries. Our relentless focus on R&D ensures that we are ahead of the industry in all respects.
